

Chakra

“A gathering of healing and support for men.”

Chakra is the nexus of the metaphysical and biophysical energy that resides in the human body.

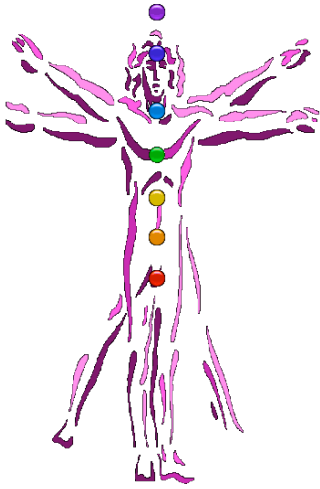

Chakra is a group formed by men who are meta-physical teachers and healers.

Chakra is a group for men who seek spiritual and meta-physical healing in a safe and loving environment.

Chakra is a group that incorporates the healing modalities of Metis Medicine, guided meditation, sacred intimacy, reiki, and healing touch.

Chakra members are anonymous. Membership is by invitation only.

Chakra

“A gathering of healing and support for men.”

Settings for: Sessions

- 1. Each session will have a healing atmosphere of dim lighting and use of candles to set mood.*
- 2. Quiet music will be played through out the entire session. Music should be ethereal and light. Tibetan chant and New Age music are good examples.*
- 3. Each session will have light blankets, pillows and cushions for back support.*
- 4. Bottled water and hand sanitizer will be available for participants.*
